TOOLS FOR PEOPLE ON THE MOVE

EXPANDABLE MEMORY

The BlackBerry smartphone supports microSD¹ cards so you can store pictures, music files, video and even use it to hold office documents, if necessary.

GSM/GPRS/EDGE QUAD-BAND

This feature enables global roaming across high speed networks (where supported) without the need for you to change your settings or device.

SPEAKERPHONE

This built-in feature allows you to speak hands-free or make conference calls.

64MB FLASH MEMORY

It may seem a small amount of memory, but you can store all of your applications, contacts, emails and tasks.

GPS

Find your way quickly and easily – whether driving or walking – using Carphone Warehouse Navigator and built-in GPS on your BlackBerry smartphone.

CAMERA

Need a second opinion? If you can't make up your mind, just snap a picture and send it off instantly via email or MMS and see if people agree that you really need the shirt, shoes or whatever else you've got your eye on.

VOICE DIALLING

Just say a word and this function will call anyone in your contact list. You can also voice dial with a wired or Bluetooth[®] enabled headset, or via the speakerphone.

LONGER LIFE BATTERY

The BlackBerry smartphone doesn't only work harder; with its 1400mAh battery, it also works longer. Meaning less of those all too frustrating 'zero battery' moments.

LARGE BRIGHT DISPLAY

The BlackBerry smartphone features a large, high-resolution screen with light-sensing technology that automatically adjusts to the ambient light, aiding viewing and saves your battery life too.

MULTI-MEDIA PLAYER²

The BlackBerry smartphone incorporates a multi-media player that allows you to listen to music while you go through your emails or watch videos on the move.

VIEW ATTACHMENTS

Easily open popular email file attachments including JPEGs, Adobe PDFs, Microsoft[®] Word, Excel and PowerPoint.

SYNCHRONISATION

The BlackBerry smartphone synchronises seamlessly with your desktop to allow access to your address book, calendar, tasks, memos and multiple email accounts³, including a unique BlackBerry email account if you need an extra one.

GETTING STARTED

SETTING UP FOR DATA

Please ensure that your SIM is enabled for BlackBerry® Internet Service by your network operator†.

Now insert the SIM card and battery, and charge the device as follows:

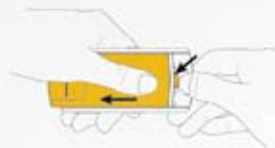

Figure 1. Remove the battery cover*

Figure 2. Insert the SIM card*

Figure 3. Insert the battery*

* BlackBerry Pearl smartphone used in illustrations.

† Please check with your network provider for data transfer tariffs.

CHARGE THE BATTERY

Connect the small end of the travel charger cable to the USB port on the side of your BlackBerry smartphone.

If required, perform one of the following actions:

- Insert the plug blade attachment into the power adapter.
- Fold the plug blades down.

Plug the power adapter into a power outlet.

Charge the battery to full power.

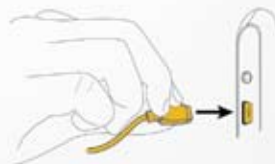

Figure 4. Connect the BlackBerry® Travel Charger to your device*

If you have an available USB port on your computer, you can use the USB cable that came with your device to connect your device to your computer for charging.

BATTERY POWER LEVEL INDICATORS

-  Full battery
-  Charging
-  Low battery

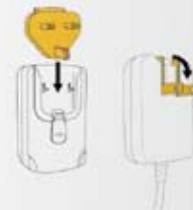

Figure 5. Insert plug attachment or fold down plug blades (if required)

SETTING UP YOUR EMAIL FROM YOUR DEVICE

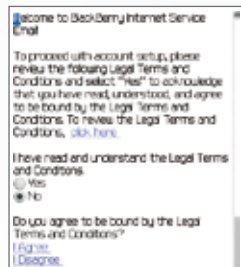

STEP 1 GETTING READY

You can integrate an existing email account and set up a new BlackBerry email address straight from your device. Before you get started, make sure your SIM has been activated and that your device is connected to the wireless network.

First of all, launch the Setup Wizard by clicking on the icon in the home screen.

To make sure we aren't pulling the wool over your eyes, read the Legal Terms and Conditions by clicking on the link. Then check the I have read and understand the Legal Terms and Conditions box and click **I Agree**. Assuming you do, of course.

STEP 2 INTEGRATE AN EXISTING EMAIL ACCOUNT

To add an email account you already use (work or personal), enter the account details and click **Next**. Or click on **Create A BlackBerry Email Address** if you'd like to set one up (see step 4).

If it's worked, we'll tell you that the email account has been successfully added. Click **OK**.

STEP 3 EDITING AND ADDING EMAIL ACCOUNTS

You will now be able to view, edit or delete your email account. If you want to add more email accounts, click on **Add An Email Account**.

If you clicked on **Services and Settings**, you'll now be able to further personalise your device and its settings. If you've finished, wasn't it simple? You can exit by clicking on the trackball to open the menu and selecting **Close**.

STEP 4 CREATE A BLACKBERRY EMAIL ADDRESS

If you've not already got an email account, or you'd like to set up a new one (you can run up to 10 email accounts on one device), you can create a BlackBerry email account. On the Email Account Setup screen, click on the **Create A BlackBerry Email Address** link. If you've finished, we hope you found the process wasn't too frustrating. You can exit by clicking on the trackball to open the menu and selecting **Close**. To create your BlackBerry email address, just type the name that you would like to appear before @blackberry.com, fill in your security details, then click **Next**.

BASIC FUNCTIONS

COMPOSE AND SEND AN EMAIL

From the home screen, click the **Messages** icon. The Messages screen appears.

Click the trackball.

Click **Compose Email**.

In the **To:** field, type an email address or contact name.

Click the trackball.

Type a message.

Click the trackball.

Click **Send**.

OPEN AN ATTACHMENT

Within a message, use the trackball to select the attachment (marked at the top and bottom of the message).

Click the trackball.

Click **Open Attachment**.

PLACE A PHONE CALL

From the home screen, press the **Send** key. The Phone screen appears.

Type the phone number or select a contact from the list.

Press the **Send** key.

PLACE A CALL USING VOICE DIALLING

From the home screen, click the **Voice Dialling** icon. The voice dialling screen appears.

When prompted, say **"Call"**, followed by the name or phone number of the contact.

Your call is made.

TAKE A PICTURE

By default, when you take a picture, the camera saves the picture to the BlackBerry® device memory.

In the camera, click the trackball.

Perform one of the following actions:

- To take another picture, click the camera icon.
- To delete the picture, click the trash can icon.
- To set the picture as a caller ID picture or Home screen background, click the crop icon.
- To forward the picture, click the envelope icon.
- To rename and save the picture, click the folder icon.

SEND A PICTURE

From the home screen, click the **Media** icon. The media screen appears.

Then click to **Pictures** screen.

Select the picture.

- Use the menu to send the picture.
- Or in BlackBerry® Messenger mode, simply say **"Send file"**.

VIEW A MEDIA FILE STORED ON A MICROSD CARD

From the home screen, click the **Media** icon. The media screen appears.

Then click to

Pictures screen.

Click **Media Card**.

Click the file you want to open.

ACTIVATE BLUETOOTH

Ensure your Bluetooth device is in pairing mode. Then, from the home screen on the BlackBerry smartphone, click the **Set up Bluetooth** icon. The Bluetooth Options screen appears.

To begin a Bluetooth enquiry, click **OK** when prompted.

BROWSE TO A WEB PAGE

In the Browser, press the **Menu** key. Click **Go To**.

Perform one of the following actions:

- Type a web address, and press the **Menu** key.
- Highlight a web address and press the **Menu** key.
- Click **Edit**. Change the web address.
- Press the **Menu** key.

INSTANT MESSAGING

With BlackBerry Messenger, you can communicate in real-time with friends and colleagues using either Yahoo!® Messenger or Google Talk™.

For Yahoo!® Messenger, go to www.blackberry.com/yahoodownload to set up your device for Instant Messaging with Yahoo!®

For Google Talk™, go to www.blackberry.com/googletalk to set up your device for Instant Messaging with Google™.

BlackBerry Messenger works just like on your PC, so you can always know which contacts are on-line, set your own status, and add others to a conversation.

FREE BLACKBERRY SMARTPHONE SET-UP FROM THE GEEK SQUAD

Get to know your new best friend a little better

Have you bought a BlackBerry smartphone at The Carphone Warehouse?

A geek will show you how to get started for free, including:

- How to set up two email addresses (e.g. Yahoo!, AOL, TalkTalk, Gmail or Hotmail*)
- Walk you through how to access and use the email accounts easily
- Talk you through the basics of the phone's options, the browser and SMS/MMS functions
- Show you how to synchronise your contacts, calendar and tasks with your PC.

**READY TO GET SET UP?
CALL NOW, QUOTING 'BLACKBERRY.'**

DON'T MISS OUT

This cover must be taken out within 14 days of getting your new phone. To get further information, or discuss your needs and apply, simply call Lifeline on **0800 049 1071*** (lines are open Mon-Fri 9am to 7pm, Sat 9am to 6pm and Sun 10am to 5pm).

SEE PAGE 18 FOR TERMS AND CONDITIONS.

TERMS AND CONDITIONS

1 The BlackBerry smartphone accepts microSD cards; the amount of storage is determined by card capacity. **2** All audio and video files must be transferred to the smartphone before playing. Files can be transferred via USB cable, smartphone browser application or Bluetooth®. For a complete list of supported media file formats visit www.blackberry.com. **3** Integrating corporate email accounts requires BlackBerry Mail Connector or the BlackBerry Enterprise Solution. Multiple email accounts only available with BlackBerry Internet Service.

INSURANCE WITH LIFELINE TERMS AND CONDITIONS

1 Not available on BT Mobile or '3' Handsets. **2** £50 deposit on '3' handsets. **3** The cost of cover includes an insurance premium and a Carphone Warehouse administration charge. Prices vary according to the value of your phone. **4** Valid from fourth month on 9 and 12 month contracts, tenth month on 18 month contracts and sixteenth month on 24 month contracts. Full terms and conditions apply, including exclusions from cover. In all cases an excess fee or surcharge is payable. Statutory statute disclosure. The Lifeline insurance policies are provided by Norwich Union Insurance Limited (NU). NU are registered in England and Wales with registered number 99122. Registered Office: 8 Surrey Street, Norwich NR1 3NG. NU are a member of the Aviva group and are authorised and regulated by the Financial Services Authority. When writing to NU about your policy, please write to Lifeline, The Carphone Warehouse Ltd, 1 Portal Way, London W3 6RS. The Carphone Warehouse Limited acts as NU's agent in selling and managing Norwich Union insurance policies and receives premiums and pays claims as its agent. The Carphone Warehouse is authorised and regulated by the financial Services Authority (FSA). This can be confirmed on the FSA's register by visiting the FSA's website (www.FSA.gov.uk/register) or by contacting the FSA on 0845 606 1234. *For your protection and ours, telephone calls may be recorded and / or monitored.
